N. B.—As the Statement showing population of Railways was sent in from the Berar Office shown only by sections and not by Stations, the population of each of the different Stations cannot be, and has not been amalgamated with that of the district or town in which it is situate, and only the total population is given collectively in the second column. Thus the details not being shown the totals of town and village population in the grand total columns will not agree with the grand total of total population until 6590, the total population of Railways, be deducted from the grand total of total population, which is obvious.

TABLE IV.

TOWNS BY POPULATION.

NOTE.—In this Table, towns marked with an asterisk, were merely villages during the Census of 1881, but since then their populations have increased and they have been classed as towns in this Census. The populations of those towns italicized as well as marked with an asterisk owing to the destruction of the records of the preceding Census cannot be ascertained and are consequently not stated.

Rajura and Selu in the Bedar and Parbhani districts, respectively, were in last Census, classified as Towns, having contained over 5,000 inhabitants, but the number having fallen, they have been excluded from the list of Towns, thus :—

	Population 1891.				Population 1881.		
	Total.	M.	F.		Total.	M.	F.
Rajura.....Bedar district	4,539	2,237	2,302	.....	5,064	2,653	2,411
Selu.....Parbhani district ...	3,979	2,061	1,918	.....	5,055	2,571	2,484

Bolarum, was shown as a Town, in the Atraf-i-Balda district, in 1881, with a total population of 13,207—(males 6,789—females 6,418) but in 1891, it was included in the Secunderabad Cantonment. Its total population at the recent Census being 12,123 (males 6,551, females 5,572) hence its not appearing in the list of Towns.

NOTE.—Some apparent discrepancies will be noted between the figures of Table C and the Caste Index. These require a word of explanation. *Bhil* (Mussalman) shown in Table C. is wrong. The figures ought to have been amalgamated with *Koya*. *Oterwani* is a sub-division of *Koya* and not a main caste. The figures for this sub-caste have, in the Caste Index, been amalgamated with *Koya*. *Chenai* is only another way of spelling *Sonnayi* and has therefore been included in the latter. Similarly *Kachi* and *Kutchi*. *Tonier*, *Odhmat*, *Madgudda* and *Arya* are not main castes. They have been amalgamated under "other Hindus" in the Index.
